

January 13, 1976

SENATOR CARSTEN: Yes, for a date certain. I would like to bracket that until Monday morning, the 19th.

PRESIDENT: All right. There is a request for unanimous consent to bracket 409 until January 19th. Is there an objection? Seeing none, it is so ordered.

CLERK: LB 425, Mr. President. LB 425, Mr. President, is Senator Chambers, who was here earlier. LB 425 is a bill relating to small claims court, to eliminate service by mail. There were Committee amendments which were rejected. There was an amendment offered by Senator Chambers which was carried. The E & R amendments have been adopted.

PRESIDENT: Are you prepared to act on this bill? All right.

SENATOR CHAMBERS: I am always ready.

PRESIDENT: All right, Senator.

CLERK: Mr. President, the next motion is, I move to strike section 1 and 2 of LB 425 and insert 430. Signed Senator Frank Lewis.

SENATOR CHAMBERS: I am not familiar with that.

PRESIDENT: We have an amendment to the bill which appears to be totally extraneous, Senator.

CLERK: Mr. President, in addition to that is another factor I overlooked is that fact that this bill was replaced on Select File for amendments. Those amendments have been adopted. So nothing further can be done to the bill except a motion to advance.

PRESIDENT: Mr. Clerk, is that motion pending or has it gone by the wayside. The motion of Frank Lewis. I think that motion is a nullity so we need not be concerned with that. Do you agree that the position of the bill is that it is ready for advancement now, Senator?

SENATOR CHAMBERS: Except that I have an amendment.

PRESIDENT: All right.

CLERK: You have got to advance it and then move to return it.

SENATOR CHAMBERS: Then I move that LB 425 be advanced to E & R engrossing.

PRESIDENT: You heard the motion. Any discussion. All those in favor say aye. Contrary say nay. The bill is advanced.

CLERK: Now, Mr. President, the motion is I move to return LB 425 to Select File for specific amendment. The specific amendment is to require notice to be sent by first class
